

# SEIMITH SUTH

Junior Full Stack Web Developer

(978) 726-4477 | [seimith@gmail.com](mailto:seimith@gmail.com) | [www.themcsuth.com](http://www.themcsuth.com)

## SUMMARY

I am a new full-stack web developer looking for an internship or entry-level engineering position. I can bring great diversity to the white board given my analytical expertise in financial mathematics and creative background in freelance vector design.

## TECHNICAL SKILLS

Languages/Frameworks	Database	Libraries	APIs/Other
CSS3	Sqlite	jQuery	Cucumber
HTML5		Underscore	Facebook
Ruby	Management	Software	Nokogiri
Ruby on Rails	Git/GitHub	Inkscape	SentiGem
Sinatra	Trello	RubyMine	Twitter
JavaScript	Atlassian JIRA		Typhoeus

## EXPERIENCES

**General Assembly** San Francisco, CA  
*Web Development Immersive Student* September 2013 – December 2013

- During General Assembly's Web Development Immersive program I built several Sinatra and Ruby on Rails applications and implemented a variety of APIs (Twitter, SentiGem, Facebook, and more) and libraries (jQuery and Underscore). I have become accustomed with scrumming on a daily basis, wire-framing, and pair-programming.

**Bainco International Investors** Boston, MA  
*Executive Assistant to the CEO and President* August 2012 – August 2013

- Conducted meetings for the CEO and partners, managed corporate and personal expenditures by the CEO, coordinated travel, and prepared correspondences
- Created marketing book and proposal materials for prospective clients
- Coordinated logistics with clients for transfers of funds, completed legal documents, and monitored Bainco's custodian bank to ensure wires are processed appropriately

**Family Equality Council** Boston, MA  
*Finance & Accounting Intern* April 2012 – June 2012

- Spearheaded an accounts receivable analysis that aided the organization's understanding of their donor collection rates over the span of 4 years
- Trained successor intern to continue accounts receivable analysis project
- Identified aged receivables and payables in the general ledger ("GL"), rectified expenses and revenues incorrectly categorized in the GL, and made credit and debit adjustments

## EDUCATION

**General Assembly** San Francisco, CA  
*Web Development Immersive Student* September 2013 – December 2013

**Simmons College** Boston, MA  
*Bachelor of Science in Financial Mathematics* September 2008 – May 2012
